THE CHOICE IN OUR AREA:

It's **Lib Dems** or **Labour** here.
Make your vote count on 7th May.

No other candidates can win here.
Voting for anyone else only helps Labour.

WE'RE BACKING THE LIB DEMS!

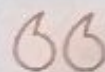

As Chair of the Friends of Stationers Park and someone who has spent decades serving this community, I have no hesitation in backing Nicholas, David and Liz in May.

My passion is our green spaces. Places like Stationers Park and Finsbury Park are the heart of our community, where children play, families gather and everyone can breathe. Protecting and improving them matters more than ever, but so does giving local people a real voice in how they are run and maintained.

Nicholas, David and Liz understand that. They will fight for the things that make our community so special, including our parks and green spaces.

Chris Arnold

(Chair of the Friends of Stationers Park, Haringey Community Hero 2024)

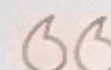

The local Lib Dem team of Nick, David and Liz always work hard to champion our local area.

Their regular updates on local matters are extremely helpful in keeping abreast and taking action on important matters that impact on residents.

They would make excellent councillors and are just the sort of representation we need here in Stroud Green.

Amy (Stroud Green Resident)

As a councillor in Crouch End for the past 8 years, I know how important it is to have dedicated, hardworking representatives who truly understand our community. That's what Nick, David and Liz are.

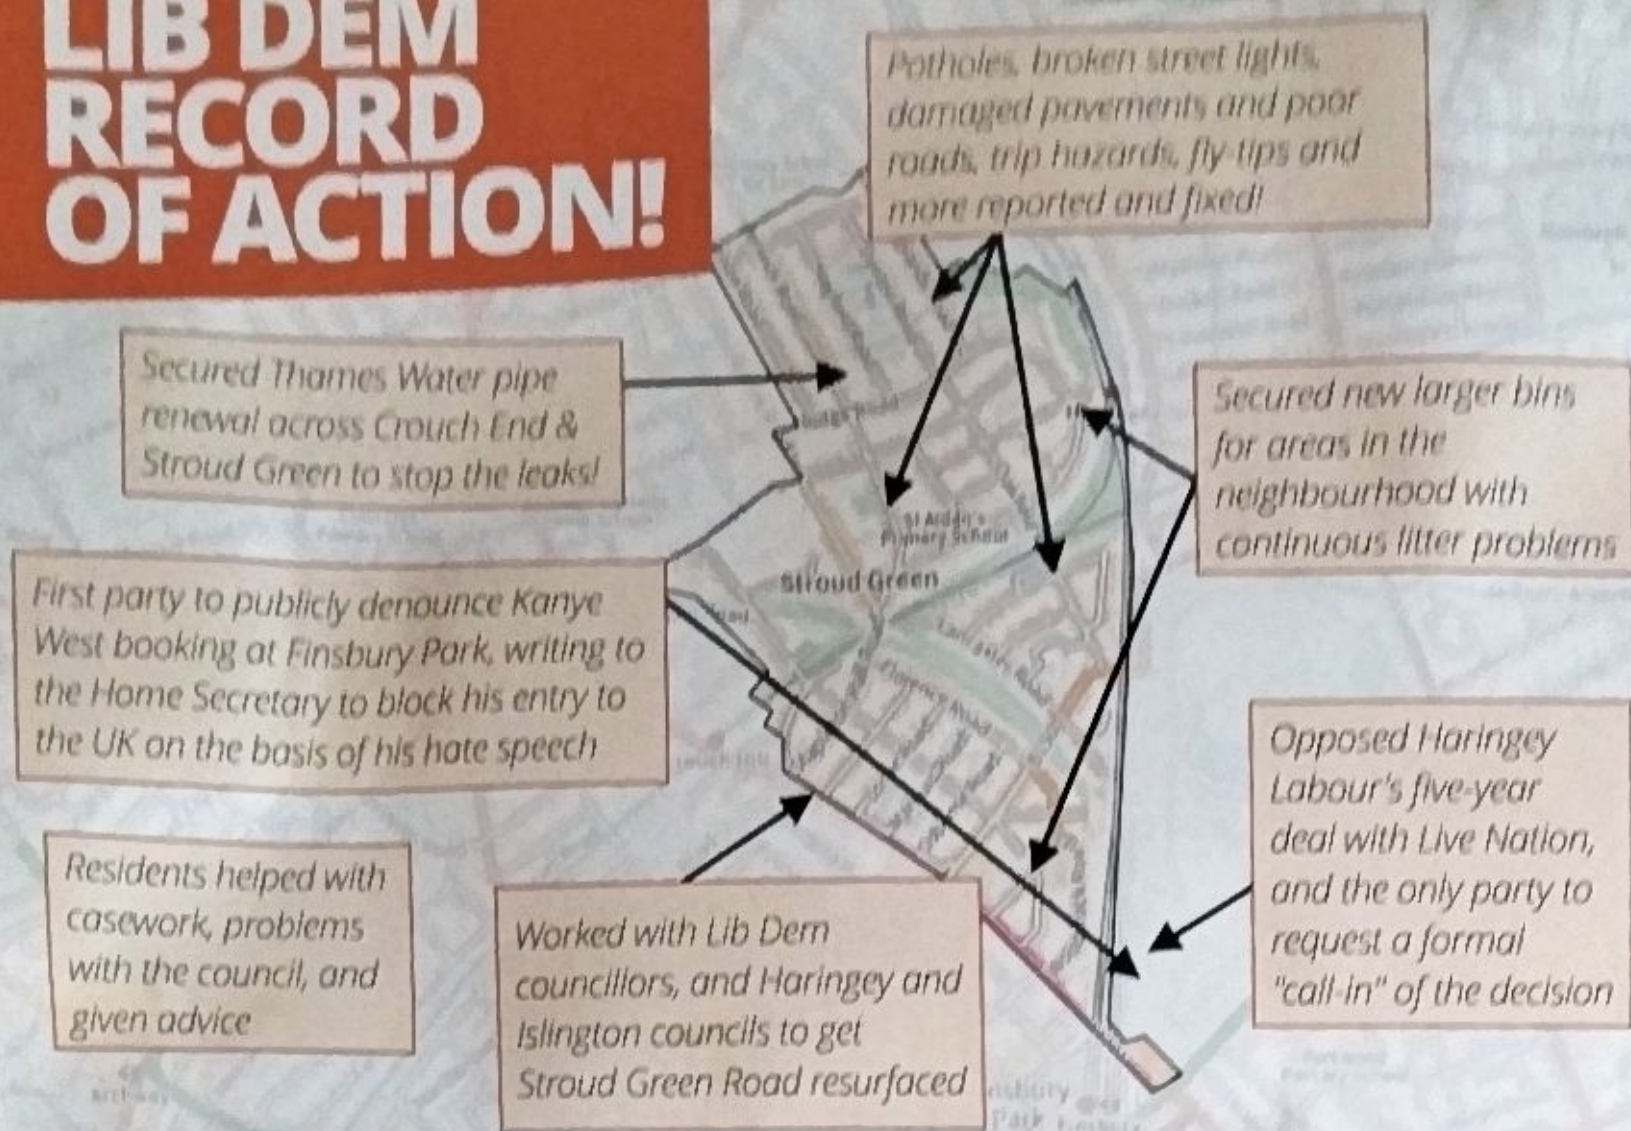

I also know how much more can be achieved with a strong group of Haringey Lib Dem councillors, helping to bring positive change locally.

That's why we need people like Nick, Dave and Liz elected as councillors. They listen, they care, and they get things done.

Luke Cawley-Harrison (Crouch End Councillor)

LIB DEM RECORD OF ACTION!

Nick, David, Liz and the Haringey Lib Dem team have a record of action in getting things done here in Stroud Green - before even being elected!

In addition to already helping residents with casework on things like housing, here are just some of the things your local Lib Dems have already achieved for our area in recent years.

On Thursday 7th May, back the only party with a real record of action fighting for our area and getting things done:

Nick **ORFORD-WILLIAMS**

David **VIGOUREUX**

Liz **WHITLOCK**

Imagine how much more we could achieve with **3 Lib Dem councillors** here in Stroud Green

This May, use your vote to back... **A Fresh Start for Haringey** with the Liberal Democrats

It's nearly time to decide who to elect here locally and we are asking for you to support local champions Nick, David and Liz when you come to cast your vote.

Nick was born and raised in Stroud Green, attending Rokesley and Highgate Wood. He is a volunteer youth leader with the Wood Green & Hornsey Cadets and is a software engineer in the media. **David** moved to Haringey over a decade ago. He has a career in innovation for social impact, and has been a school governor for the past three years. **Liz**, a senior nurse in the NHS, has lived in Stroud Green for the past 29 years, with her children attending Weston Park and Highgate Wood (where she was Chair of the HSA for four years).

All three care passionately about making Stroud Green, and the whole of Haringey, better - listening to the community and getting things done. Something they have already been doing even prior to being councillors. But they could achieve so much more if elected to represent you here in Stroud Green.

Their priorities include real action on local crime and anti-social behaviour, working with the police and council to make our area safer. Support those residents and businesses struggling through the Cost of Living crisis with all the tools available to Haringey, and they want to protect and enhance our local parks

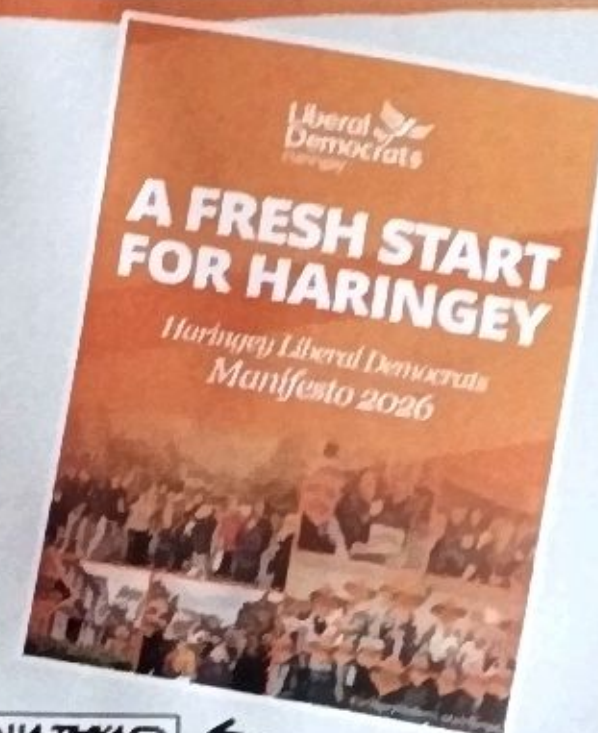

and green spaces, which are so vital to our community - including putting Finsbury Park into an Independent Community Trust.

But their ambition doesn't end there. Nick, David, Liz and the whole Lib Dem team of candidates want to **bring fairness back to the whole of Haringey**.

- 6,000 new council homes, plus new affordable and intermediate homes
- customer services in our town centres, and a mobile app to get updates, report problems, check accounts and more
- a financial transformation plan with real oversight
- protecting and investing in our public assets, green spaces and town centres
- working with the Met to bring visible community policing back to our streets
- create a listening council, with functioning phone lines, and true engagement with communities on their priorities
- plus so much more...

This is what we can get with a Fresh Start for Haringey under the Liberal Democrats. **But it can only happen with your support and your vote.**
